Dear Virginia, Marie, Sarah, Bonnie, Brock,
Julie, Caterina, and Aimee,

I want to thank you all from the bottom of our hearts,
for making our years at Canaan Ridge so special and so
memorable!

It is very difficult for me to say goodbye to all of you;
I am tearing up just at the thought! Thankfully, I have
been busy with my new job; otherwise someone would
need to scoop me up off the floor!

Our time at Canaan Ridge has been magical, loving,
joyous, and always a new exciting adventure each
and everyday. Your school has enabled both my children
to think independently, and understand the obligation to
share generously with their peers. I know William and
Caroline are well equipped as they begin their new journey,
because of the knowledge, and self-confidence that they were
taught by all of you on a daily basis.

My love, respect, and endless thanks go out to all
of you! Wishing you a cool, and healthy end of the summer.
Please keep in touch!

Hugs, Kisses and Happy tears,

Loretta, Steven, William & Caroline
