Dear Virginia. —

I can't even find words to describe how grateful I am that we found Canaan Ridge — and you. There is not another place in the world I would want Sasha & David to be.

But the reason for this card and gift is to thank you for your help, assistance and love on Friday. You are a wonderful person, Virginia.

I feel privileged to have you as the educator of my children — and as a friend.

My most heartfelt thanks  
Cyd —
