Virginia,

Thank you for your school...
and thank you for being an
amazing force in the world
for little people. Your heart is
in this school everyday.

The special way you inspire the
children to learn and the
loving way you inspire the
parents to feel will be
forever in our memories.

We are so grateful to
you for opening up your
doors and your heart to
Suzia and Jack....

We thank you with
all our hearts....

Miss Virginia

With love,
John and Linda Hickey
